YOUNG AND MIDDLE-AGED MEN A SURE OURE.

The awful effect of early vice, which brings organic weakness, destroying both mind and body, with all its direful ills, PERMANENTLY CURED.

Palpitation of the heart, timidity, trembling, nervous discharges, so much to be feared, forgetfulness, lack of ideas, sadness of spirits, ugly imaginings, dislike to costal life and brooding melancholy.

Married men, or those entering upon that bappy life, aware of physical debility, excitability of the nerves, organic diminution or other

irregularities quickly assisted.
No minerals used. Young people losing their health and spending time with those unskilled and unqualfiled, causing fatal disorders to the head, throat, nose, liver and lungs, stomach and bowels, speedily cured. Let not false modesty deter you from calling

IMMIGRATION.

What the Present Texas is Saying of the Present Supreme Aged of the State.

The People of the State Aroused to the Need of Action and the Co-Operation of Railroads.

ABILENE IS READY. Abilene News: Dallas, Fort Worth and other cities of Texas have expressed

a desire that the railroads coming into Texas shall no longer discriminate against this state, but give prospectors and immigrants coming to Texas as cheap rates as are given to California and other sections. If a united appeal is made we have some reason to nope that it will effect some good. A meeting to be held at Dallas on the 20th inst., to take further steps in this matter and all cities and towns of the state have been willing to do everything in her power for Texas is now doing. the promotion of the general good of West Texas and of the entire state.

WORKING TOGETHER' Jefferson News: The Dallas News and Fort Worth GAZETTE are working handtwo leading dailies of the state.

MEETS WITH FAVOR. Breckinridge Texian: The GAZETTE's stand in favor of 10 w railroad fares from all points in the east to Texas has met with favor throughout the state, and the indications are that the movement will be a success. Mee tings of citizens have already been held in the principal cities
